

Dear Holy Family,

Please do not park in a handicapped space if you do not have a placard or a state-issued handicapped license plate.

Not only is this illegal it is also inconsiderate of those who need the spaces.

**Please do not park in rectory driveway. This is not a parking space and causes issues that will not be tolerated.**

Law enforcement will be patrolling the parking lot during Mass and you will be ticketed if you do not have a visible placard, sticker or driver's license plate.

Thank you,  
Fr. Phil
