**Prayers for UKRAINE**

Please continue to remember those suffering from the war in Ukraine. The media, for the most part, has moved on from the war and is choosing more salacious news and trivia. The suffering of the Ukrainian people continues. Over three million refugees still wander Europe. Over eighteen thousand, many of them civilians, have been killed or disappeared. The many atrocities committed by Russians cry out to heaven for vengeance. This is not the first time Russia has been an aggressor toward Ukraine. The following prayer remembers those millions of men, women, old folks and children who suffered and/or died under Russian Communism for the sake of Christ (1931-1989).

**Forty of them were canonized by the Church.**

*This is the prayer for their feast (July 3).*

O martyrs and confessors, hierarchs and priests, monastics and laity, who, for the sake of Christ, suffered in prisons and labor camps and were broken in spirit and wasted by beatings, starvation and cold; your numbers and names are known only to the all-knowing God! You shed rivers of righteous blood, and with your tears bedewed the prison cells and torture chambers. Your martyrs’ blood testifies before heaven and earth to your unwavering faith in God. You are our powerful intercessors before the throne of the Most High; therefore, implore with the Mother of God the heavenly Father, the Savior Jesus Christ, and the Holy Spirit, the Comforter a continuous blessing upon our Church and nation so that we can joyfully and freely glorify and imitate you.

**Prayer for an End of the Coronavirus**

*O God Almighty, Lord of heaven and earth, and of all creation visible and invisible, in Your indescribable goodness, look down upon Your people gathered in faith. Be our helper and defender in this time of affliction. You know our weakness. You hear our cry in repentance and contrition of heart. O Lord who loves mankind, deliver us from the threat of the coronavirus. Send Your Angel to watch over us and protect us. Grant health and recovery to those suffering from this virus. Guide the hands of physicians and researchers. Healer of our ills, preserve those who are healthy, that they may continue to serve You in peace and glorify Your most honorable and majestic Name, Father, Son, and Holy Spirit, forever and ever. Amen.

*Mother of God, Health of the Sick, pray for us.*
