Prayers for UKRAINE

Please continue to remember those suffering from the war in Ukraine. The media, for the most part, has moved on from the war and is choosing more salacious news and trivia. The suffering of the Ukrainian people continues. Over three million refugees still wander Europe. Over eighteen thousand, many of them civilians, have been killed or disappeared. The many atrocities committed by Russians cry out to heaven for vengeance. This is not the first time Russia has been an aggressor toward Ukraine. The following prayer remembers those millions of men, women, old folks and children who suffered and/or died under Russian Communism for the sake of Christ (1931-1989).

Forty of them were canonized by the Church.

This is the prayer for their feast (July 3).

O martyrs and confessors, hierarchs and priests, monastics and laity, who, for the sake of Christ, suffered in prisons and labor camps and were broken in spirit and wasted by beatings, starvation and cold; your numbers and names are known only to the all-knowing God! You shed rivers of righteous blood, and with your tears bedewed the prison cells and torture chambers. Your martyrs’ blood testifies before heaven and earth to your unwavering faith in God. You are our powerful intercessors before the throne of the Most High; therefore, implore with the Mother of God the heavenly Father, the Savior Jesus Christ, and the Holy Spirit, the Comforter a continuous blessing upon our Church and nation so that we can joyfully and freely glorify and imitate you.

Prayer for an End of the Coronavirus

O God Almighty, Lord of heaven and earth, and of all creation visible and invisible, in Your indescribable goodness, look down upon Your people gathered in faith. Be our helper and defender in this time of affliction. You know our weakness. You hear our cry in repentance and contrition of heart. O Lord who loves mankind, deliver us from the threat of the coronavirus. Send Your Angel to watch over us and protect us. Grant health and recovery to those suffering from this virus. Guide the hands of physicians and researchers. Healer of our ills, preserve those who are healthy, that they may continue to serve You in peace and glorify Your most honorable and majestic Name, Father, Son, and Holy Spirit, forever and ever. Amen.

Mother of God, Health of the Sick, pray for us.

Lenten Project Donation

$100.00 was donated and a check was sent for the Lenten Project To Ukraine.
Archbishop Paul Coakley Celebrates Mass at Holy Family July 10th, 2022
Dear Friends:

I’m truly fortunate to lead Heifer International and witness every day how the giving spirit of groups like yours can change the world. No matter how much circumstances change, one thing remains the same: people continue to show generosity and dedication to the families we serve.

Which is why I want to extend my sincere appreciation for your group’s recent contribution of $40.00 to Heifer. Your compassion makes a permanent difference in so many lives. I’m reminded of the quote by Margaret Mead: “Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it’s the only thing that ever has.” And to bring even more hope in this springtime season of new growth, an additional group of generous donors has matched your donation, doubling the impact of your gift!

Each day, we witness the need of families in the poorest corners of the world, who are simply trying to figure out how to get by. Hardworking parents wonder if they’ll have enough food to feed their children at the end of the day … if they can afford school or medication … if their home can withstand natural disasters.

Thanks to your group of Heifer donors, moms are building businesses and earning steady income to feed their children … dads are running their own family farms instead of having to find work far away … you are providing nutritious food, education and hope for the next generation.

I hope you know how much we, and the families who are touched by your generosity, appreciate you all. Our work would not be possible without you by our side.

With gratitude,

Pierre U. Ferrari
